

ANNUAL REPORT

2025 - 26

OVERVIEW

A Year of Scale, Prestige, and New Frontiers

2025–26 stands as a landmark year in Gujarat football — a year where vision met execution at the highest level. From hosting continental football to pioneering new formats and strengthening domestic dominance, the Gujarat State Football Association (GSFA) elevated its footprint across every tier of the game.

This was the year Gujarat moved from growth to influence — emerging as a hub for international competition, national excellence, and inclusive development.

At the heart of this progress was a singular focus to build a future-ready football ecosystem that is globally relevant, competitively strong, and deeply rooted in community participation.

What Defined the Year:

Continental Spotlight – AFC Asian Cup:

Gujarat proudly hosted matches of the AFC Asian Cup, bringing world-class football to the state. With top international teams such as IR Iran, Lebanon, Palestine, Chinese Taipei, alongside the Indian National Team, the tournament showcased Gujarat's capability to deliver at the highest level of the game — both in infrastructure and execution.

National Excellence – Asmita West Zone Champions:

Gujarat emerged as champions at the Asmita West Zone National Championship, outperforming strong teams from Jharkhand, Chhattisgarh, Mumbai (WIFA), and Odisha. This achievement reflects the state's growing competitive depth and its continued investment in structured development pathways.

Robust Competitive Framework:

A comprehensive calendar of club championships and inter-district tournaments ensured sustained competitive exposure across age groups and regions. These platforms continue to serve as the backbone of talent identification and progression.

Expanding the Game – Futsal & Beach Soccer:

Futsal competitions continued to gain momentum, strengthening alternative formats within the football ecosystem. In a pioneering initiative, GSFA introduced a domestic Beach Soccer tournament — positioning Gujarat among the few states in India to actively develop this emerging format.

Inclusive Outreach – Tribal Games Initiative:

Football's reach expanded further with the introduction of Tribal Games, bringing structured opportunities to new and underserved communities. This initiative reinforced GSFA's commitment to inclusivity and grassroots expansion.

Building the Backbone – Education & Certification:

Structured programs and certification pathways for coaches, referees, match commissioners, and technical officials were conducted throughout the year. By investing in people, GSFA ensured that the ecosystem grows not just in scale, but in quality and professionalism.

Strengthening Pathways for the Future:

With increased participation, enhanced scouting, and a clear focus on long-term development, GSFA continued to strengthen the footballing pyramid — creating a sustainable pathway from grassroots to elite performance.

A Defining Year

From continental hosting rights to national championships, from grassroots inclusion to format innovation — 2025–26 was not just a year of milestones, but a statement of intent.

Gujarat football is no longer just progressing — it is setting benchmarks.

From Presidents Desk

Football is more than just a sport — it is a force that inspires young minds and builds character, discipline, and dreams. As I reflect on the 2025–26 season, I feel immense pride in witnessing how football in Gujarat continues to grow with passion, energy, and purpose. This season has been a remarkable journey for the Gujarat State Football Association (GSFA). Across cities, districts, beaches, schools, academies, and stadiums, thousands of players came together to celebrate the spirit of the beautiful game. From grassroots initiatives to elite competitions, every tournament organised this year carried the same message — football in Gujarat is moving forward with confidence and ambition.

One of our greatest strengths lies in our youth. The expansion of youth leagues, Blue Cubs programmes, and ASMITA competitions has created opportunities for young boys and girls to dream bigger and believe in their potential. Every young player stepping onto the field today represents the future of Gujarat football tomorrow. I am especially delighted by the increasing participation of girls in leagues, futsal, beach soccer, and grassroots activities. The achievements of our women players at national and international platforms have made Gujarat proud.

This season also showcased the growing strength of Gujarat football at higher levels. Our players represented India in national teams, our officials earned recognition on international platforms, and our teams performed well in national competitions. These milestones are not isolated achievements — they are the result of years of dedication, teamwork, and belief in a shared vision.

Behind every successful season stands the collective effort of countless individuals. I extend my heartfelt appreciation to our district associations, clubs, academies, coaches, referees, volunteers, technical staff, parents, and supporters who continue to work tirelessly for the development of football in Gujarat. Your commitment is the driving force behind our progress.

As we move ahead, our vision remains clear — to create a strong, inclusive, and sustainable football culture that provides opportunities for every aspiring player across Gujarat. We will continue to focus on grassroots development, technical education, women's football, youth competitions, and professional structures that strengthen the future of the game.

Together, with unity, passion, and determination, we will continue to dream bigger, work harder, and achieve greater heights. Let us continue to grow the game and inspire the next generation.

With warm regards and best wishes,

Shri Parimal Nathwani
President
Gujarat State Football Association

From Hon General Secretary

It gives me immense pleasure to present the Annual Report of the Gujarat State Football Association (GSFA) for the year under review.

The Association continued its dedicated efforts towards the development, promotion and strengthening of football across Gujarat through systematic competitions, administrative improvements and active coordination with all affiliated stakeholders.

During the year, GSFA successfully conducted various state-level competitions and football activities with the support of District Associations, clubs, officials, and volunteers.

Special emphasis was laid on strengthening grassroots and youth football, encouraging greater participation and creating a competitive environment for players across different age categories and formats of the game, including futsal.

The Association also continued to focus on improving governance, discipline and operational efficiency in line with the objectives and regulations of the All India Football Federation (AIFF).

Our efforts remained directed towards building a stronger football structure in Gujarat while ensuring transparency, professionalism and better opportunities for players, coaches, referees and administrators.

I place on record my sincere gratitude to Our President Shri Parimal Nathwani ji, Executive Committee Members, District Associations, Registered Clubs, GSL Team Owners, Sponsors, Match officials, Coaches, Players, Media representatives and football lovers across the state for their valuable support and cooperation throughout the year.

Their collective contribution continues to strengthen the football movement in Gujarat.

GSFA remains committed to further elevating the standard of football in the state through sustained development initiatives, quality competitions, grassroots expansion and long-term planning. With united efforts and continued support from all stakeholders, we look forward to achieving greater success in the years ahead.
