

GUJARAT STATE FOOTBALL ASSOCIATION

2023 - 24 ANNUAL REPORT

Overview

The Gujarat State Football Association (GSFA) has long been at the forefront of promoting and developing football in the state of Gujarat. As the official governing body for football in Gujarat, GSFA is affiliated with the All India Football Federation (AIFF) and is responsible for overseeing the sport's activities, ensuring its growth, and maintaining high standards of play.

GSFA boasts a membership of 33 district associations, which form the backbone of football administration in Gujarat. This widespread network allows GSFA to effectively coordinate and organize various tournaments, leagues and development programs across the state.

In 2023-24, GSFA has made remarkable strides in enhancing the football landscape in Gujarat. This year has been characterized by a significant increase in player registrations, the expansion of our leagues and the grassroots and talent development programs. These efforts have not only increased the sport's popularity but also improved the quality of football being played across the state.

Key Achievements of 2023-24:

- **Participation Growth:** the registration has doubled, from Grassroots to Senior, reflecting a growing interest in football.
- **Competitive Tournaments:** Successful organization of the Gujarat Super League, Youth Championships, Women's League, Men's League, Inter District Football Tournaments and Futsal Club Championship fostering competitive spirit and sportsmanship.
- **Development Programs:** Implementation of grassroots programs like the Blue Cubs League in all the districts, coaching Certificate Courses, and referee development courses to build a strong foundation for future growth.
- **Digital Transformation:** Provide real-time updates and engage with the football community effectively through social media and GSFA website.

Financially, GSFA has managed its resources prudently, ensuring a net surplus that will be reinvested in further developing the sport. Our financial stability allows us to plan for ambitious projects in the coming years, including the expansion of our leagues, making our districts & affiliated clubs grow financially strong to sustain themselves and the enhancement of our digital platforms.

Looking ahead, GSFA is committed to sustaining this momentum by focusing on strategic initiatives that will continue to drive the growth of football in Gujarat. Our future plans include increasing community engagement, fostering more local talent, and creating more opportunities for players, coaches, and referees. GSFA aims to create a platform for talented players to excel and represent Gujarat at national and India at international levels.

This overview encapsulates a year of hard work, dedication, and collective effort. It sets the stage for our ongoing journey towards building a thriving football culture in Gujarat, where the sport can flourish, and where every individual has the opportunity to participate and excel.

PRESIDENT'S MESSAGE

Dear Members,

It gives me great pleasure to address you through this annual report, reflecting on the remarkable achievements and progress of the Gujarat State Football Association (GSFA) during the 2023-24 season. As the president of GSFA, I would like to express my heartfelt gratitude to the Gujarat Government for their unwavering support and commitment to the growth of football in our state. Their encouragement, support and collaboration have played a pivotal role in the success and accomplishments of GSFA. I would like to extend a special thanks to Chief Minister Shri Bhupendrabhai Patel & Shri Harsh Sanghvi, Minister of Sports, Gujarat Government, for their continuous support to GSFA. I also thank Shri Kalyan Chaubey, President of the All India Football Association and the AIFF Executive Committee for their overall support to strengthen our efforts in Gujarat.

The past year has been a testament to our collective efforts in realizing our vision of making Gujarat a force to be reckoned with in Indian football. I am happy that leading Corporate Houses of the State, including Reliance, Adani, Zydus, Torrent, etc have been contributing in establishing Gujarat football on a sound footing. I am particularly thankful to them. We have witnessed outstanding performances in various tournaments organized by GSFA, showcasing the immense talent that exists within our state. These achievements would not have been possible without the hard work and dedication of the players, coaches, referees, and administrators who form the backbone of GSFA.

I am delighted to see the positive impact of our initiatives in organizing Club Championships through which the Clubs, Academies & Schools have become the partners in progress of football in the State. I am also glad that GSFA has been successful in hosting and organising national level events. These provide exposure and learning to our players, coaches, referees etc at home.

I am very excited to highlight The Gujarat Super League (GSL). It has been a major turning point for the development of football in Gujarat. The idea was envisioned and it was put into action which resulted in the best tournament in the history of football in Gujarat. I would like to extend my special thanks to Gujarat Tourism for supporting and becoming the title sponsor of the league and also like to thank Sports Authority of Gujarat (SAG) for being an associate sponsor. The success of the first ever GSL wouldn't have been possible without the proactive approach and active participation of the State's enthusiastic entrepreneurs. They readily and happily owned up teams and provided moral support to the players of the State and contributed in the overall success of the GSL.

With the support of all the GSFA management, Coaches, Players, supporting staff and specially the football fans, we have achieved and set new benchmarks. Looking ahead, we remain committed to building on our achievements and taking Gujarat football to even greater heights. We will continue to focus on grassroots development, provide opportunities for talent identification, enhance professionalization and create pathways for our players to excel at the national and international levels.

Together, let us continue to work towards our vision of making Gujarat a leading force in Indian football.

With warm regards,

Mr. Parimal Nathwani
President,
Gujarat State Football Association
