OVERVIEW

A Year of Purpose, Progress, and Possibility

2024–25 was not just another year in Gujarat football’s calendar — it was a statement. A statement that football in Gujarat is evolving, connecting deeper with communities, empowering youth, and aligning itself with the national ambition to make India a global footballing force.

From the cheering audience of the Gujarat Super League Season 2 to the cheers at Grassroot Leagues, football this year became more than a game — it became a movement. At GSFA, our focus shifted from only hosting tournaments to building an ecosystem where talent is nurtured, stakeholders collaborate, and passion thrives.

What Defined the Year:

Breaking New Ground with Futsal:

GSFA proudly became the first state in India to organize a [Junior Boys Futsal Club Championship](#). This wasn’t just a tournament — it was a declaration of intent to innovate, adapt, and expand our sporting formats to meet modern demand.

Gujarat Super League 2.0:

Season 2 was bigger, better, and bolder — with the inclusion of I-League and ISL reserve players, expanded matchdays, retained squads, and elevated professionalism. The league turned into a showcase of elite performance and homegrown pride.

More than Matches – A Focus on the Footballing Journey:

We strengthened youth pathways with robust age-category competitions, more scouting opportunities, and player development support. Over 5,000 players participated across leagues — proving that the foundation for the future is strong.

Education, Empowerment, Elevation:

We invested in developing referees, coaches, and support staff through structured courses and AIFF-backed licensing programs — because a game is only as good as the people behind it.

Collaborations That Count:

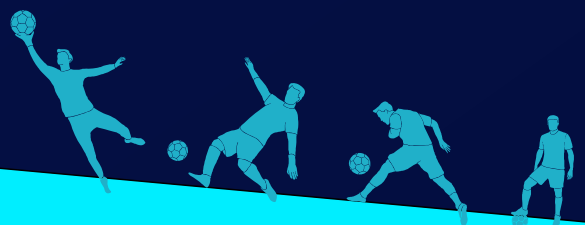

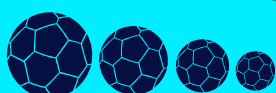

From Reliance Industries, Sports Authority of Gujarat, Gujarat Tourism, Torrent Power, Zydus Life, Adani Sportslife, TBEA and VHAN to local schools and corporate backers, we built meaningful partnerships that translated into real support.

Digital First, Data Driven:

GSFA embraced tech-led solutions — from registration and reporting systems to live updates and digital scorecards — building transparency and operational excellence into everything we do.

Recognising the Pillars of Progress:

From young talents to senior mentors, from behind-the-scenes volunteers to visionary sponsors — we made it a point to celebrate everyone who powered football forward in Gujarat.

FROM PRESIDENT'S DESK

Dear Members, Associates, and Friends of Football,

It is with immense pride and gratitude that I present the Annual Report for the Gujarat State Football Association (GSFA) for the year 2024–25. This has been a year of significant strides for football in Gujarat, marked by grassroots growth, competitive excellence, and renewed enthusiasm for the beautiful game. The past year saw the successful launch of the Season-2 of the Gujarat Super League (GSL). A surge in enthusiasm and professionalism was witnessed.

Our vision of making football accessible, aspirational, and sustainable across Gujarat continues to guide our efforts. Over the past year, we have consolidated our endeavours for grassroots programs, strengthened youths' participation, and enhanced our coaching and referee development initiatives. The active participation from districts, clubs, and institutions has been both encouraging and inspiring.

This year saw increased representation of Gujarat's young players, a testament to the growing depth and discipline in our football ecosystem. With better infrastructure, structured leagues, and a sharper focus on talent identification, we are laying the foundation for a strong pipeline of future stars. We all at GSFA take a pride in the achievements of our footballers at national and international events.

It's to the credit of the GSFA that during 2024-25; as many as 26 different tournaments were held; 1168 matches were played in all and 6486 goals were kicked. In accordance with the AIFF's CRS, there are 7400 active players from Gujarat, of which 4836 played.

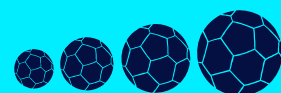

GSFA's growth would not be possible without the unwavering support of our district associations, clubs, government partners, AIFF, sponsors, supporters and the larger footballing community. Through collaborative tournaments, school engagement, and inclusive football festivals, we've been able to unite diverse communities under a shared passion for the sport.

Our goals for the coming years are ambitious. We aim to further professionalize our leagues, expand women's football, invest in sports science and player welfare, and continue pushing for better infrastructure across the state. As Gujarat prepares to be a hub of youth and sporting excellence, GSFA is committed to being a driving force behind football's future.

I thank each of you—our players, coaches, referees, officials, volunteers, and supporters—for your relentless passion and commitment. Together, let's continue to transform Gujarat into a true powerhouse of Indian football.

Yours sincerely,

Parimal Nathwani
President
Gujarat State Football Association

CONCLUSION

As we close the chapter on the 2024–25 season, what stands out most is not just what we achieved — but how we achieved it: through unity, ambition, and belief in the power of football to inspire change.

This year reaffirmed GSFA's commitment to being more than a governing body — we are enablers of dreams, creators of opportunity, and champions of grassroots-to-glory journeys. The milestones we've reached were possible only because of the unwavering support of our District Football Associations, clubs, players, referees, coaches, officials, volunteers, partners, and fans across the state.

We witnessed the game grow — not only in terms of numbers but in spirit. Boys and girls from small towns stood tall on big stages. New champions emerged. Systems were strengthened. Legacies were started.

But this is just the beginning.

What Lies Ahead

As we look forward to the 2025–26 season, our mission remains clear: To create a structured, inclusive, and high-performing football ecosystem that represents Gujarat with pride at the national level.

A Note of Gratitude

To all our stakeholders — thank you.
Your faith, your efforts, and your passion are the cornerstones of our progress.

Together, we have turned vision into action.
Together, we will turn potential into performance.
Together, we will shape the future of football in Gujarat.

On behalf of the Gujarat State Football Association,

“we thank you and look forward to an even more impactful year ahead”

“LET'S CONTINUE TO GROW THE GAME — TOGETHER”
